

Attention Cyclists

Your Input is NEEDED

In 1997 one of the most successful surveys of cycling was completed on the Internet.
The results are still available on our website.

Now we have developed a follow-up study and invite you to participate in our online CYCLIST SURVEY.

Please Visit:

www.BicyclingLife.com

Bicycling Life is a nonprofit website promote bicycling by demonstrating that legal cycling on streets, roads, and highways is safe, clean, healthy, enjoyable, economical, and beneficial to society.

Please post this where cyclists will notice. But please, seek permission, and don't litter.
